***Reasons for Allowance***

Claims 1-9 are allowable over the prior art of record.

The following is an examiner's statement of reasons for allowance: the best prior art of record, Douseki et al., taken alone or in combination of other references, does not teach or fairly suggest a semiconductor integrated circuit device comprising, among other things, wherein both the first circuit block and the second circuit block are set in the standby mode in a first state, and one of the first circuit block and the second circuit block is set in the active mode and another of the first circuit block and the second circuit block is set in the standby node in a second state, as set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Contact Information***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Daniel D. Chang whose telephone number is (571) 272-1801. The examiner can normally be reached on Monday through Friday.
